Who are the experts?

The expert community consists of avid product enthusiasts, trade veterans, consumer advocates, and recognized industry gurus.

Sample Experts on our site:

- Paul Somerson (Ziff Davis)
- Bill Howard (PC Mag)
- Mariette Mifflin (About.com)
- Kristopher Dukes (411Spyware)
- Lauren Messiah (LaurenMessiah.com)
- Jeremy Kipnis (Kipnis-Studio)

How do we choose our experts?

We carefully screen and recruit top Individuals that demonstrate advanced knowledge on a subject by seeing their writing on magazines, editorials, or blogs with emphasis on their experience in the field.

How do experts review products?

Neither Bestcovery, nor the experts, are influenced by advertising or any other marketing considerations and we screen all submissions to ensure the highest quality of unbiased information. They are able to determine the best products based on hands-on use and advanced product knowledge & research.
